RULES AND REGULATIONS

The Company may refuse entry to any exhibitor who infringes the rules of the Company and not accept entries from anyone who is considered incompatible with the aims of the Company. The Company will accept no liability for any loss incurred consequent upon the cancellation of the Show for whatever reason.

General Rules

1. Entry forms may be obtained from the Secretary, Section Secretaries or www.yealmptonshow.co.uk and must be correctly filled in and returned to the Section Secretaries together with the amount for all fees and subscriptions, on or before Tuesday 1st July 2025
2. In the event of less than three exhibitors in any Class, then the committee reserves the right to either cancel that Class or amalgamate with another Class or Classes.
3. All stock exhibited shall be bona fide property of the exhibitor on the day of entry.
4. Distinguishing number labels will be forwarded by the Secretary to each exhibitor; such labels must be conspicuously affixed to the animal before they can be admitted to the Show Yard – excluding sheep exhibits.
5. All livestock will be admitted from 0700 hours on showday.
6. Unless permission has been granted by the relevant Chief Steward, all stock must remain in the Show Yard until FOUR p.m. Exhibitors breaking this rule may forfeit any prize money, trophies, or cups won. All winners of 1st, 2nd, 3rd and special prizes in the horse classes must enter the Grand Parade or they may forfeit any prize money, trophies and cups.
7. The Judges will be instructed to have the opinion of a Veterinary Surgeon for any animal they may think unsound or not complying with the description of the Class; they will also be empowered to withhold the prizes in any Class where they think there is not sufficient merit or, should there be only one entry in any Class, to award whichever prize their opinion such entry merits.
8. In case of doubt or protest regarding any exhibit, such protest must be given in writing to the Show Secretary within one hour of the publication of the Judge's decision. Any person making a protest must, at the same time, deposit with the Show Secretary the sum of £20, unless otherwise stated, which sum will be repaid should the protest be upheld, but should a protest be overruled the amount will be forfeited to the funds of the Company. All questions under this rule shall be decided by the Committee, or Subcommittee as they may appoint, assisted where necessary by the Veterinary Surgeon and their decision shall be final.
9. All persons making a false entry or claiming a prize by a false certificate or otherwise breaking or infringing any of the Rules, Regulations or Conditions of the Company, may be prohibited from exhibiting or competing at any future show of the Company.

14. In all classes the judge's decision is final
15. All livestock exhibitors should ensure they have adequate public liability insurance cover (suggested minimum of £5 million).

Rules applicable to Horses

1. The name and colour must be stated on the entry form. A height certificate may be requested.
2. All riders in Flat and Working Hunter Classes are required to wear a correctly fitted hard hat which conforms to the appropriate British Standard, including the use of chin straps.

Exhibitors of bulls over 10 months of age must ensure that **two handlers** accompany the bull at all times when competing or moving the animal from the cattle lines to the show ring and back again and must have a clamp or ring in its nose and, if necessary, shall be led by a leading stick.
3. Handlers of beef animals should have with them "bulldogs". Exhibitors must be satisfied in all cases, and at all times, that the correct and appropriate restraining method and equipment is provided for use by animal handlers and where appropriate heifers should be trained to accept "bulldogs" as a restraint.
4. All cattle must be secured to the satisfaction of the Stewards, who shall have the power to exclude from the Showground any vicious or unruly animal.
5. All animals must be properly halter trained before they come to the Show. Exhibitors are responsible for their own cattle at all times.
6. Livestock exhibitors are reminded that Cattle Movement documents are required to travel with livestock in accordance with current regulations.
7. The image of the farming industry to the public is important. As part of that philosophy, the former Holstein Friesian Society standardised the dress of exhibitors and showmen with the recommendation of white shirt, tie and white trousers. This has been adopted at the majority of major exhibitions and it is hoped that exhibitors will follow this recommendation at Yealmpton Show.
